

DevOps Connect

in association with

**Pune Vidyarthi Griha's College of Engineering and Technology
and G.K. Pate(Wani) Institute of Management**

Git

Software

Version control

Maintained by Linux

Open-Source

No user management

Locally installed

Minimal external tool
configuration

Little to no competition

GitHub

Service

Git repository hosting

Maintained by Microsoft

Free or paid membership

Built-in user management

Hosted on the web

Active marketplace for
tool integration

High competition

MAINE OFFICE KE 1ST DAY GIT AUR GITHUB KO EK BOLDIYA

Benefits of Git

Save Time

Offline Working

Undo Mistakes

Track Changes
